MEDIA RELEASE OPT-OUT FORM

Section A - Transylvania County Schools

It is the practice of Transylvania County Schools to promote our students, staff, and school system community by publishing student photos, artwork, and writing on media accounts maintained by Transylvania County Schools with public access. Representatives from the media or Transylvania County Schools may photograph, videotape, and/or interview students in connection with school programs or events for social media, newsletters, news releases, and website stories.

By checking this box, I DO NOT give permission for my student to be photographed and/or interviewed for publishing through Transylvania County Schools. (e.g., social media, school websites, newsletters. This does not include the school yearbook.)

By checking this box, I DO NOT give permission for my student to have his/her photo, in the school yearbook.

Note: If the above box is not checked (and/or the form is not returned to the school), your child's photo as well as his/her artwork or writing may be published by the school system in various media.
